### Back to Basics.

No pressure. No rhinestones.

Just you and your horse enjoying a  
home-town show.

(But of course, dressing up is fun to do-  
and encouraged!)

The Arabian Horse Association of Eastern Canada is proud to present our **"Back-to-Basics" Series**. These non-rated classes require only an **OEF membership** and are open to exhibitors of any age and level of experience, and any breed of equine athlete.

So come join us for a day of great friends, great food, and beautiful horses at the **AHAEC Pro/Amateur One-Day Show**. We want to see you put your best boot forward!

And for those registered Arabian owners who have been hiding in the woodwork, this is an excellent opportunity to get yourself and your horse into the ring. Furthermore, for only the price of either an AHA competition or single-event membership (plus class fees) you can try your hands and hooves in any of our AHA-recognized classes in this relaxed and friendly atmosphere. **Equine Canada membership is not required for this one-day show.**

So what are you waiting for? **Head to [ahaec.on.ca](http://ahaec.on.ca) and click on 'Competitions' for a full class listing, or contact Crystal Green for more information.**

See you in May!
